When you make a tubing reservation at Highlands Outpost, we expect you to bring the number of people that you reserved. We will allow two (2) no-shows. For more than two (2) no-shows you will be charged half price for each no-show. The cut-off date to make any changes in the number of people you have reserved is two days prior to reservation date (example: for Saturday reservations call by Thursday morning).

Please be here 15 minutes prior to the time of your reservation. If you are running late, please contact us. Reserved tubes will not be held longer than 15 minutes past your reservation time.

Have one person collect all the money and completed waivers for the group prior to arrival. We will give this person the lift tickets for the group.
